

Legal & Compliance - Capability Sheet

Version v1.0 | 2026-07-24 | Preparation only; qualified review required

Public summary for evaluation. It is not an executed agreement, a warranty, or a certification. Final scope, controls, residency, and terms are defined in your order form, data-processing agreement, and counsel-reviewed contract, which control over this document.

01

What this department is for

Prepare reviewable obligations, checklists, records, and escalation briefs. It is a specialist workbench operated through Jueni Biashara AI: it prepares the work, keeps the source and next move visible, and sends decisions that carry weight to the people responsible.

02

Best for

Policy mapping, contract intake, obligation tracking, consent records, and compliance evidence preparation.

03

What it prepares

- Obligation and evidence registers
- Review checklists
- Exception and escalation briefs

04

What it needs from you

- Applicable policy
- Authoritative documents
- Counsel and approval boundary

05

What changes

- Visible obligations
- Better evidence discipline
- Explicit escalation

06

Human authority stays with you

This department does not provide legal advice or execute filings, contracts, or regulatory representations without qualified human authority.

07

Deployment status

Preparation only; qualified review required. Installation follows a scoped deployment contract - isolation, credentials, tools, storage, logs, updates, rollback, support ownership, representative validation, and acceptance review - before any live business system is touched.
