

Sales & Growth - Capability Sheet

Version v1.0 | 2026-07-24 | Managed deployment review

Public summary for evaluation. It is not an executed agreement, a warranty, or a certification. Final scope, controls, residency, and terms are defined in your order form, data-processing agreement, and counsel-reviewed contract, which control over this document.

01

What this department is for

Organise pipeline, follow-through, experiments, and learning. It is a specialist workbench operated through Jueni Biashara AI: it prepares the work, keeps the source and next move visible, and sends decisions that carry weight to the people responsible.

02

Best for

Lead qualification, next actions, offer preparation, campaign briefs, and pipeline review.

03

What it prepares

- Qualified work queues
- Follow-up and offer drafts
- Experiment evidence briefs

04

What it needs from you

- Approved offer
- Buyer criteria
- Release authority

05

What changes

- Visible next actions
- Better pipeline discipline
- Recorded learning

06

Human authority stays with you

People approve outreach, offers, discounts, claims, commitments, and public release.

07

Deployment status

Managed deployment review. Installation follows a scoped deployment contract - isolation, credentials, tools, storage, logs, updates, rollback, support ownership, representative validation, and acceptance review - before any live business system is touched.
